HOUSE TEAS

Black Teas

Cameronian Highlands Blend: a one-of-a-kind blend from Malaysia's foremost tea gardens. Soft and fruity, never bitter.

Darjeeling

English Breakfast

Earl Grey

Combines high-grown Ceylon and China teas with the delicious smoky orange taste of bergamot citrus. Elegant and full-flavored, perfect for a morning tea, delicious with dessert.

Green Teas

Genmaicha Mild in taste, combining the fresh grassy flavor of green tea with the aroma of the roasted rice. Sometimes called popcorn tea due to the popped rice grains during the roasting process.

Jasmine With its light pungency and delicate perfume, Jasmine makes a wonderful dessert or afternoon tea

Spring Cherry Beginner's Mind Tea: the fresh essence of cherries and sweet taste of sencha leaves is welcoming introduction to green tea. Rose petals and white paklum (rare, white tea buds) add a sweet, floral note.

White Teas

Shou Mei Low caffeine – sundried team from China, yielding a delicate amber liquor and a succession of flavors – toasted, nutty, flowery.

Yunnan Yields a dark orange-red liquor that combines a light maltiness with a touch of fruit and a slight smokiness.

Herbal Teas

Blackberry Sage (decaf) The soft taste and sweet aroma of fresh blackberries is experienced with the first sip of this fruity tea.

Cardamon Cinnamon Gentle, airy taste of the forest itself – ginger with pine. Cinnamon adds a spicy depth to this stimulating brew.

Chamomile Flowers

Ginger Peach (decaf) "Longevity Tea": this best-selling tea offers sweet lushness of a fancy peach with the tingle of spicy ginger.

Ginseng Peppermint A healthy blend of eleuthero, peppermint, cinnamon, licorice and echinacea root.

Haiku

Poetic Energy: an octet of aromatic, energizing herbs: spearmint, rosemary, lemon balm, linden, eucalyptus, wood betony, blackberry.

Wu Wei

A blend of hibiscus petals, orange zest, lemon balm, cloves, lavender, licorice root and sweetleaf. The beautiful amethyst infusion is naturally sweet, tart and spicy with a citrus encore.
